

Welcome to Ehime

Just a little attention can prevent criminal damage.

Now, let's start ♪

Enjoy your stay!

Don't forget to lock your bicycle.

Thieves take advantage of unlocked bicycles which they can steal immediately.

POINT

- When you leave your bicycle, double-check to make sure it is locked.
- Please use a bicycle parking lot.

To ensure cycling enjoyment, always lock your bicycle.

Watch your luggage at all times.

Whether indoors or out, it's dangerous to leave your luggage.

POINT

- Please carry your luggage with you.
- Even for a short time, don't leave your luggage.

Wherever you go, please carry your luggage at all times.

While sightseeing, be on the lookout for bag snatchers!

Snatchers aim to take tourists' money. Be careful and you can prevent a crime.

POINT

- Please walk on well-lit, busy roads.
- Please pay attention to how you hold your luggage.
- Please put a net and a cover on your bicycle.

Even if you take a detour, you should choose well-lit and busy roads.

If you are involved in a crime or traffic accident...

In case of emergency, press 110.

When you use the 110 police emergency call, an interpreter who speaks English can respond to your call.

When you are in trouble, please consult with a police officer at a nearby police station or police box.
